

SEMI-WEEKLY INTERIOR JOURNAL.

VOL. XXX.

STANFORD, KY., TUESDAY, JUNE 24, 1902. 9 A. M.

NO. 33

"I wrote to Doctor Pierce, who sent me a very kind letter and advised me."

Thousands of weak and sick women can trace the beginning of a new life of perfect health to that letter written to Dr. Pierce.

Sick and ailing women are invited to consult Dr. Pierce, by letter, free. All correspondence held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription cures weak and aching backs, headaches, nervousness and other womanly ailments by curing the womanly diseases which cause them.

"In the spring of 1901 I became very ill," writes Mrs. Alvina Scholtz, of Lake Washington, Leavenworth, Minn. "my back was very weak and ached so that I could do no work at all, so I was obliged to take to my bed. I felt a constant desire to urinate and the pains in my abdomen were almost unbearable. I wrote to Dr. Pierce, who sent me a very kind letter, and advised me to take his 'Favorite Prescription' and 'Golden Medical Discovery.' I took six bottles of each and am a well woman now. I cannot say enough in favor of Dr. Pierce's medicines."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

KINGSVILLE.

A three-year old child of Frank Stull died last week and was buried at Pleasant Point.

W. L. McCarty's contemplated picnic for the 14th failed to materialize and he has postponed it to some future occasion, perhaps the 4th of July.

James McWhorter, (widower) is sojourning at the Hotel Pennybacker. Three or four of our widows are trying to look very sweet in consequence. Kenton Singleton will move his family to Ludlow this week.

Miss Lena Griffin, a recent graduate of Millersburg, is spending her vacation with her homefolks here. Miss Griffin will enter a training school in the Fall for a two years' course and then expects to go to China, as a missionary.

Some one recently spoke of the INTERIOR JOURNAL as "a good 'little' paper." While the first adjective is unquestionably a true one, we question the second, although we have been guilty of the same error of speech. Really it isn't a little paper, but equal, if not superior, in every respect, to any paper published, considering the size of the place in which it is published—we don't mean the office, but the city.

Elder H. K. Berry, pastor of the Christian church, filled his appointment Sunday, preaching to a very large congregation Saturday evening, Sunday morning and evening. Mr. Berry is just out of college for vacation and came a few days earlier to visit. A protracted meeting will be held here by him early in September. A task for baptizing is being planned for the Christian church. Beldens, of Stanford, are hanging the paper.

Mrs. Rebecca McCarty, of Pineville, is the guest of her sons, W. L. and J. M. McCarty. Mrs. Wm. Davis, of Pineville, is expected soon to visit relatives here. Wm. Carey and family, of Lebanon Junction, will arrive Friday to visit relatives. Miss Gertrude Davidson, who is quite the belle of our town, returned a few days since from a pleasant visit to friends at Shelby City. Miss Davidson is contemplating a visit to her brother, Alfred Davidson, a Philippians soldier, who is now located in Washington.

HOT WEATHER WEAKNESSES.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Freegang, propr., Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kas." 50c at Penny's Drug Store.

He—Mrs. Wise seems to understand how to manage her husband pretty well.

She—Yes, She lets him have her own way in every thing.—Life.

For biliousness use Chamberlain's Stomach & Liver Tablets. They cleanse the stomach and regulate the liver and bowels, effecting a quick and permanent cure. For sale by Craig & Hocker, druggists.

Acknowledges Thanks.

While enjoying a brief visit at my boyhood's home in Woodford county, I was very greatly and most agreeably surprised to receive word that our "friends" at Stanford had made us a present of an elegant phonograph and record, and beg space in your columns to express in this public way our sincere and profound gratitude for their most generous and timely gift. It is frequently asserted, as you know, that the present is an intensely materialistic age, dominated wholly by the spirit of greed and selfishness, but such examples of friendly appreciation and generous good will on the part of one's neighbors, make us believe that "life is still worth living," and that the millennial day "when all men's good shall be each man's law," is not merely a poet's iridescent dream, but a golden prophecy that may be fulfilled in the not distant future.

Yours truly,

B. J. PINKERTON.

READ IT IN HIS NEWSPAPER.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkzeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by Craig & Hocker, druggists.

Jay Cairnes, of Russell Springs, in examining a revolver in the presence of Gideon Burton, turned the weapon toward his forehead and pulled the trigger. WHOOPIING COUGH.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we might have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickfaden, editor World Herald, Fair Haven, Wash.
